ATTACHMENT A

REDACTED AMENDMENT TO

PRIORITY MAIL & FIRST-CLASS PACKAGE SERVICE CONTRACT 137

AMENDMENT #1 OF SHIPPING SERVICES CONTRACT BETWEEN THE UNITED STATES POSTAL SERVICE AND

REGARDING PRIORITY MAIL AND FIRST-CLASS PACKAGE SERVICE

WHEREAS, the United States Postal Service (the "Postal Service") and ("Customer") entered into a Shipping Services Contract, Priority Mail & First-Class Package Service Contract 137/Docket No. CP2020-52, regarding Priority Mail and First-Class Package Service on November 22, 2019.

WHEREAS, the Parties desire to amend the terms in Sections I.G and V to the Contract.

NOW, THEREFORE, the Parties agree that the Contract is hereby amended as detailed below. The existing Contract remains unchanged in all other respects. This Amendment shall become effective two (2) business days following the day on which the Commission issues all necessary regulatory approval.

[Replace Sections I.G and V, as follows.]

G. Price Calculation.

1. From the effective date of this Amendment through September 30, 2020, Customer will receive Tier 4 discounts for Priority Mail Contract Packages and Tier 4 discounts for First-Class Package Service Contract Packages, pursuant to Tables 4 and 9. Beginning October 1, 2020, subsequent tier pricing will be determined by the separate quarterly averages for Total PM Packages and Total FCPS Packages shipped during the term of this Contract, provided that shipping history prior to July 1, 2020 is excluded from the quarterly average calculation. If the quarterly average of Total FCPS Packages shipped falls below the minimum volume set for Tier 1 pricing, the Postal Service in its sole discretion has the right to revert Customer to the most current First-Class Package Service - Commercial prices for the subsequent Contract Quarter. Notwithstanding, the Postal Service may provide Customer with access to a higher tier than the tier earned per the calculation in this section and Section I.G.2 below in its sole discretion.

2. Contract Package discounts for this Contract will be based on a rolling four (4) quarter average. Effective October 1, 2020, the average will be based on the number of Total PM Packages and the number of Total FCPS Packages shipped divided by the number of full Contract Quarters achieved. For example, the separate quarterly averages for Total PM Packages and Total FCPS Packages shipped for the period July 1, 2020 through September 30, 2020, will determine the tier pricing as of October 1, 2020. At the conclusion of the first four (4) full Contract Quarters, pricing for subsequent quarters will be calculated by the number of Total PM Packages and the number of Total FCPS Packages shipped in the previous four (4) Contract Quarters divided by four (4). The Postal Service will calculate the number of Total PM Packages and the number of Total FCPS Packages shipped and the number of applicable Contract Quarters to calculate and apply the appropriate rate table within fifteen (15) calendar days of the conclusion of that Contract Quarter. Tables E and F illustrate the method in determining tier level and corresponding prices.

V. Appeals

Customer may appeal a Postal Service decision regarding the calculation of prices, the amount of postage paid, or other implementation or operational issues under this Contract by submitting a written appeal via email, along with any and all supporting documentation, within thirty (30) calendar days of receipt of notification of the determination giving rise to the appeal to:

The appeal is forwarded to the Pricing and Classification Service Center (PCSC). The PCSC manager issues the final agency decision. Any decision that is not appealed as prescribed becomes the final agency decision.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be duly executed as of the later date below:
